The Peapack-Gladstone Art Festival is located at Liberty Pond on Main Street in the picturesque town center of Peapack, New Jersey. Artists exhibit their work in a serene outdoor park setting against a background of soothing water. The Art Festival began in 2000 and continues to grow in popularity with both exhibitors and attendees. Sponsored by the borough's Recreation Commission, the Art Festival is a showcase for a large variety of fine art and crafts as well as an introduction to talented student artists. The event provides our patrons with an opportunity to meet and talk with the individual artists. Live entertainment and a children's art & play area all make this a perfect day in the park!
